"Antifa leftists may still burn this book, but more than a few center-left individuals will read and develop a new respectful understanding of conservatism."

~ DINESH D'SOUZA, NEW YORK TIMES BESTSELLING AUTHOR

"The reasons to embrace leftism are nil, the reasons to reject it, too many to count. I look forward to the sequel!"

~ Michael J. Knowles, Bestselling Author of *Reasons to Vote for Democrats*

"A must-read for those determined to defeat the unhinged left."

#1 NEW RELEASE Released November 2020 through Newsmax/Humanix

If your head spins sifting through the daily news seeking some semblance of truth and clarity, if you're yearning for a great conservative book, if you long for more enduring facts, history and ideologically sound principles to sink your teeth into and find out ~ "how to argue them intelligently" ~ this is your book.

We often find ourselves in discussions with liberals who relentlessly hammer us with insults, accusations, and unfounded assumptions about conservatism. The question is, what to do? The answer is *13 1/2 REASONS NOT TO BE A LIBERAL - And How To Enlighten Others*, a timeless and definitive guide to persuasive facts and arguments that detail the policies, accomplishments, and often-ignored compassionate nature of the conservative philosophy. Written by BulletPointNation host and author Judd Dunning with Eric Golub, presented in an easy-to-access, footnoted format, Humanix/Newsmax's newest book THIRTEEN REASONS will empower readers not only to hold their own but also to change hearts and minds (or at worst, preserve a few more mutually respectful relationships with more ease,
